Subpart H—What Conditions Must be Met by Local Recipients?

§ 403.190 What are the requirements for receiving a subgrant or contract?

(a) Each eligible recipient desiring financial assistance under the Secondary School Vocational Education Program or the Postsecondary and Adult Vocational Education Program must submit to the State board, according to requirements established by the State board, an application covering the same period as the State plan, for the use of that assistance. The State board shall determine requirements for local applications, except that each application must—

(1) Contain a description of—
(i) The vocational education program to be funded, including—

(A) The extent to which the program incorporates each of the requirements described in § 403.111 (a), (b), and (c); and

(B) How the eligible recipient will use the funds available under § 403.112, § 403.113, or § 403.116 and from other sources to improve the program with regard to each requirement and activity described in § 403.111 (c) and (d);

(ii) How the needs of individuals who are members of special populations will be assessed and the planned use of funds to meet those needs;

(iii) How access to programs of good quality will be provided to students who are economically disadvantaged (including foster children), students with disabilities, and students of lim-

ited English proficiency through affirmative outreach and recruitment efforts;

(iv) The program evaluation standards the applicant will use to measure its progress;

(v) The methods to be used to coordinate vocational education services with relevant programs conducted under the JTPA, including cooperative arrangements established with private industry councils established under section 102(a) of that Act, in order to avoid duplication and to expand the range of and accessibility to vocational education services;

(vi) The methods used to develop vocational educational programs in consultation with parents and students of special populations;

(vii) How the eligible recipient coordinates with community-based organizations;

(viii) The manner and the extent to which the eligible recipient considered the demonstrated occupational needs of the area in assisting programs funded under the Act;

(ix) How the eligible recipient will provide a vocational education program that—

(A) Integrates academic and occupational disciplines so that students participating in the program are able to achieve both academic and occupational competence; and

(B) Offers coherent sequences of courses leading to a job skill; and

(x) How the eligible recipient will monitor the provision of vocational education to individuals who are members of special populations, including the provision of vocational education to students with individualized education programs developed under the IDEA;

(2) Provide assurances that—

(i) The programs funded under § 403.112, § 403.113, or § 403.116 will be carried out according to the requirements regarding special populations;

(ii) The eligible recipient will provide a vocational program that—

(A) Encourages students through counseling to pursue coherent sequences of courses;

(B) Assists students who are economically disadvantaged, students of
